Remarks	

- HKS exhaust systems are designed exclusively for each vehicle. It takes simple bolt-on installation. Installing this exhaust system can exert the performance maximum.
- The center-positioned exhaust tip provides an impressive rear view distinguishing from a stock. Bumper modification is not required in spite of major layout change.
- Compared to those stock exhaust systems with hidden exhaust tips, the cool center-positioned exhaust tip enhances the appearance from the rear.
- The center-positioned titan dual exhaust tips provide an impact to the rear view.
- High durability is guaranteed with high quality Advantex fiberglass as an insulator.
- With the center-positioned exhaust tip, the vehicle can be parked without paying attention to wheel stoppers. It is a well-matched with S-style.
- Exhilarating sporty sound makes driving more fun. HKS exhaust system provides not only better appearance but also high quality exhaust sound.
