[Features]

- **Advanced diesel engine protection**
  API CK-4 performance requirements address engine wear, piston deposits, oxidation and soot-related viscosity increase.
- **Compatible emission control systems**
  Suitable for diesel engines with DPF and other aftertreatment systems where SAE 5W-30 and the applicable performance specifications are recommended by the vehicle manufacturer.
- **Viscosity stability and dependable lubrication**
  SAE 5W-30 synthetic oil supports start-up circulation and reliable lubrication at operating temperature. API CK-4 addresses viscosity loss from shear under demanding service.
